

Introductions

“Coming together is a beginning. Keeping together is progress. Working together is success.”

~ Henry Ford

Briefly share an experience when you were part of a successful team. Why was it so successful?

Real Team Definition

A Real Team is a small number of people with shared values, complementary skills, knowledge, and talents who are committed:

- ✓ to a common purpose
- ✓ common performance goals
- ✓ common approach for working together

For which they hold themselves mutually accountable.

Staff is committed to working as a Real Team.
