LAW ENFORCEMENT OFFICERS' AND FIRE FIGHTERS' PLAN 2 RETIREMENT BOARD

Fish and Wildlife Service Credit Transfer

Final Proposal

December 18, 2007

1. Issue

Fish & Wildlife Enforcement Officers mandated into LEOFF Plan 2 beginning July 27, 2003 were not allowed to transfer their Public Employees' Retirement System (PERS) service as Fish & Wildlife Enforcement Officers to LEOFF Plan 2 as similar groups have been.

2. Proposal Summary

The proposal would accomplish the following:

- Allow members to transfer their previous PERS Plan 2 service as Enforcement Officers to LEOFF Plan 2 by having them pay the difference in contribution rates, plus interest.
- Require the Department of Fish & Wildlife to pay a lump-sum amount sufficient to ensure there would be no increase in contribution rate as a result of the transfer.

4. Members Impacted

The original fiscal note prepared by the Office of the State Actuary (OSA) in January 2003, estimated there were 72 PERS members (66 in PERS Plan 2 & 6 in PERS Plan 3) actively employed by the Department of Fish and Wildlife who would be eligible to transfer into LEOFF Plan 2. Any former Fish and Wildlife Officers who become re-employed after July 23, 2003, could also be affected when they return.

5. Current Situation

Fish and Wildlife Enforcement Officers who were members of PERS Plan 2 or Plan 3 on or before January 1, 2003, and were employed on or after July 27, 2003 are mandated into LEOFF Plan 2. Service earned prior to July 27, 2003 remains in PERS and the employee becomes a dual member. Employees who are members of PERS Plan 1 are excluded from LEOFF Plan 2 membership.

6. Background Information and Policy Issues

History

In 2002, the Legislature passed a bill which expanded the definition of general law enforcement officer to include Fish & Wildlife Enforcement Officers. However, the same legislation also excluded the Department of Fish and Wildlife as a LEOFF employer.

In 2003, legislation was passed which added the Department of Fish and Wildlife as a LEOFF employer. Additionally a new section was added to the PERS statutes which mandated PERS Plan 2 or 3 members employed as Fish & Wildlife Enforcement Officers into LEOFF Plan 2, and specifically stated PERS service credit could not be transferred. It further required PERS Plan 1 members employed as Fish and Wildlife Enforcement Officers to remain in PERS Plan 1.

Policy Issue

The policy issue examined by the Board was if LEOFF Plan 2 Fish and Wildlife Enforcement Officers, who have service credit in PERS Plan 2, should be given the opportunity to transfer that service to LEOFF Plan 2 as prior groups have had the opportunity to do.

Moving service credit from PERS Plan 2 to LEOFF Plan 2 creates a liability to LEOFF Plan 2 which is greater than the money received from the member for paying the difference between the member contribution rates in PERS Plan 2 and LEOFF Plan 2, plus interest, and from the employer who pays the difference between employer contribution rates plus interest.

7. Policy Options

The Board looked at two options to pay the additional cost or liability and chose option 1:

- **Option 1: Department of Fish & Wildlife would pay the additional cost**
This option would require the Department of Fish and Wildlife to pay into the LEOFF Plan 2 retirement fund a lump-sum amount sufficient to fund the service credit transfer from PERS Plan 2 to LEOFF Plan 2.
- **Option 2: The additional cost would be paid by a contribution rate increase**
This option would require a one basis point increase in both the member and state contribution rates.

A bill was submitted by the Board in both the 2006 and 2007 Legislative Sessions. Neither bill passed. The Board sent a letter to the SCPP listing this subject as one of six possible items to work cooperatively on for the 2008 Legislative Agenda. The SCPP will be addressing this topic during the 2007 interim.

6 to read as follows:

7 (1) A member of plan 2 who was a member of the public employees'
8 retirement system plan 2 while employed as an enforcement officer for
9 the department of fish and wildlife has the option to make an election
10 no later than June 30, 2013, filed in writing with the department of
11 retirement systems, to transfer service credit previously earned as an
12 enforcement officer in the public employees' retirement system plan 2
13 to the law enforcement officers' and firefighters' retirement system
14 plan 2. Service credit that a member elects to transfer from the
15 public employees' retirement system to the law enforcement officers'
16 and firefighters' retirement system under this section shall be
17 transferred no earlier than June 30, 2013, and only after the member
18 completes payment as provided in subsection (2) of this section.

1 (2)(a) A member who elects to transfer service credit under
2 subsection (1) of this section shall make the payments required by this
3 subsection prior to having service credit earned as an enforcement
4 officer with the department of fish and wildlife under the public
5 employees' retirement system plan 2 transferred to the law enforcement
6 officers' and firefighters' retirement system plan 2.

7 (b) A member who elects to transfer service credit under this
8 subsection shall pay, for the applicable period of service, the
9 difference between the contributions the employee paid to the public
10 employees' retirement system plan 2 and the contributions that would
11 have been paid by the employee had the employee been a member of the
12 law enforcement officers' and firefighters' retirement system plan 2,
13 plus interest on this difference as determined by the director. This
14 payment must be made no later than June 30, 2013, and must be made
15 prior to retirement.

16 (c) No later than June 30, 2014, the department of fish and
17 wildlife shall pay an amount sufficient to ensure that the contribution
18 level to the law enforcement officers' and firefighters' retirement
19 system will not increase due to this transfer. Payments made prior to
20 June 30, 2014, are authorized as determined by the department and
21 coordinated with the state actuary.

26 accumulated contributions plus interest and all of the applicable
27 employer contributions plus interest; and (ii) all applicable months of
28 service, as defined in RCW 41.26.030(14)(b), credited to the employee
29 under this chapter for service as an enforcement officer with the
30 department of fish and wildlife as though that service was rendered as
31 a member of the law enforcement officers' and firefighters' retirement
32 system plan 2.

33 (e) If a member who elected to transfer pursuant to this section
34 dies or retires for disability prior to five years from their election
35 date, the member's benefit is calculated as follows:

36 (i) All of the applicable service credit, accumulated
37 contributions, and interest is transferred to the law enforcement

1 officers' and firefighters' retirement system plan 2 and used in the
2 calculation of a benefit.

3 (ii) If a member's obligation under (b) of this subsection has not
4 been paid in full at the time of death or disability retirement, the
5 member, or in the case of death the surviving spouse or eligible minor
6 children, have the following options:

7 (A) Pay the bill in full;

9 actuarially reduced to reflect the amount of the unpaid obligation
10 under (b) of this subsection; or

11 (C) Continue to make payment against the obligation under (b) of
12 this subsection, provided that payment in full is made no later than
13 five years from the member's original election date.

14 (f) Upon transfer of service credit, contributions, and interest
15 under this subsection, the employee is permanently excluded from
