SUBJECT: 2022 COST-OF-LIVING ADJUSTMENTS

Dear Steve:

At the Department of Retirement System’s (DRS) request, we calculated the Law Enforcement Officers’ and Fire Fighters’ Retirement System (LEOFF) Plan 2 Cost-Of-Living Adjustments (COLAs) for 2022 based upon our understanding of the law and administrative practices as of the date of this letter. We’ve provided this information to help your plan administrator, DRS, independently verify the COLAs for the given year.

The COLA in LEOFF 2 is based on changes in the Consumer Price Index (CPI) applicable to the plan. For your reference, we enclosed the relevant CPI data at the end of this letter. We obtained this data from the U.S. Department of Labor, Bureau of Labor Statistics (BLS) [website](#). We did not audit this data.

The results of our COLA calculations are shown on the following page of this letter.

Summary of Results

Revised Code of Washington (RCW) 41.26.440 provides that benefits under LEOFF 2 be adjusted on July 1 of each year in accordance with the applicable CPI.

Below are the COLAs as of July 1, 2022.

COLAs as of July 1, 2022	
Retirement Dates	Adjustments
July 2, 2021, to July 1, 2022	0.00%
Prior to July 2, 2021	3.00%

Duty Death Lump Sum (RCW 41.26.048)

The LEOFF 2 lump sum duty-related death benefit should increase on July 1, 2022, to \$279,399.

*Note: Please see the **Appendix** for historical data on the previous adjustments.*

Use of Communication

This letter is intended for the use of the plan administrator, DRS, to determine the actual COLA increases. Readers with questions about the COLA amount should contact the plan administrator.

Please let us know if you have any questions about the contents of this letter.

Sincerely,

Kevin Lee
Actuarial Analyst
