#### What We Did

- Engaged nearly 3000 voices through surveys, interviews and focus groups
- · Reviewed past DRS plans and peer examples
- Explored peer benchmarks through CEM data

### **What We Learned**

**Customers:** 85%+ reported excellent service. They praised our team's professionalism and direct support. They asked for better digital tools, more retirement readiness resources, and shared feedback on Plan 1 COLAs and Plan 3 flexibility.

**Our Team:** Expressed pride in customer service and a shared commitment to modernizing technology.

**Employers:** Also praised our team support and requested more training for themselves and members, along with improvements to reporting tools.

**Community:** Affirmed the strength of Washington's pension systems and raised some concerns about long-term funding risks.

### COMPREHENSIVE REPORT FOLLOW-UP

By Jacob White Senior Research & Policy Manager 360-586-2327

jacob.white@leoff.wa.gov

### **ISSUE STATEMENT**

"Standby pay" is not considered basic salary for LEOFF 2 members, while it is for PERS and PSERS members.

### **OVERVIEW**

"Standby pay" is not considered basic salary in LEOFF 2 because it is not specifically identified as earnable compensation in law and because the Department of Retirement Systems (DRS) has determined that it does not fall under the general definition of "compensation for services rendered".

### **BACKGROUND AND POLICY ISSUES**

Some LEOFF Plan 2 members receive standby pay while off-duty in exchange for being prepared to report to work on short notice. This payment is not considered compensation for services rendered and is not reportable compensation for LEOFF Plan 2.

The Board considered this issue during the 2016 and 2018 interims. The Board did not endorse legislation in either of those years.

Standby pay is reportable compensation for pension purposes in two state retirement systems: the Public Employees Retirement System (PERS) and the Public Safety Employees Retirement system (PSERS). It is considered reportable compensation because the legislature has specifically identified it as being so for those systems.

In 1994, legislation was enacted<sup>1</sup> that allowed the inclusion of standby pay in compensation earnable for the Public Employees' Retirement System (PERS) when: (1) the member is required to be present at, or in the immediate vicinity of, a specified location; and (2) the employer requires the member to be prepared to report immediately for work if the need arises. In 1995,

-

<sup>&</sup>lt;sup>1</sup> C 177 L94 (ESHB 2644)

the requirement that the member must be present at or in the immediate vicinity of a specified location was removed.<sup>2</sup> Standby pay was included as compensation earnable for the Public Safety Employees Retirement System when it was created in 2003<sup>3</sup>.

### Reportable Compensation/Basic Salary

"Reportable compensation" is used in determining a state retirement system member's pension. It is generally defined as salaries and wages payable for services rendered to the employer. DRS determines reportable compensation based upon the nature of the payment made to an employee, not the name given to it. A LEOFF member's salary or wages must meet the definition of "basic salary" in LEOFF retirement law<sup>4</sup> to be subject to retirement system contributions and included in the calculation of his or her retirement benefit.

In LEOFF Plan 2 "reportable compensation" is termed "basic salary". In order for compensation to be reportable to DRS for LEOFF, it must be basic salary. Basic salary for LEOFF Plan 2 is a payment that is a salary or wage earned during a calendar month for personal services rendered by a member to an employer.

Certain payments that are not for personal services rendered by a member also qualify if there are specific provisions in the laws identifying them as basic salary. Payments not specifically identified in the rules qualify as basic salary only if the payments are for services rendered. <sup>5</sup>

Standby pay is one such payment that does not qualify as basic salary for LEOFF as it is not considered pay for services rendered and is not included by law as basic salary.

### Standby Pay is Not Basic Salary in LEOFF

Standby pay is a nominal rate of pay provided in exchange for the employee being available to come to work quickly if called, though he or she might not be called. While on standby an employee is usually confined to a specified geographic area and prohibited from consuming alcohol or other intoxicants. If the employee is called in, they usually earn overtime for periods actually worked.

DRS excludes standby pay from LEOFF basic salary. DRS does not consider standby pay compensation for services rendered<sup>6</sup>. While ready to work if called, an employee on standby is engaged in personal activities, not performing work for their employer.

DRS has identified what is and is not considered Basic Salary with the following chart in WAC 415-104-299:

### **Compensation for Standby Pay**

The rate of standby pay varies. Below are some examples:

- Firefighter examples:
  - Reduced rate of pay some jurisdictions pay an hourly standby wage at a reduced rate of pay such as 10% of regular pay.
  - Reduced hours some jurisdictions pay a full overtime wage for a reduced number of hours. For instance, one employer pays one hour of overtime for a 12-hour standby shift.

- Law enforcement examples:
  - 4 hours pay for being on standby, additional pay if called in for more than 4 hours.
  - o No standby pay but guaranteed 4 hour pay minimum if called in.

#### 2024 Data

There isn't a single source of data for how many LEOFF employers pay standby pay and how much those employers have paid in standby pay to LEOFF 2 members. Therefore, LEOFF 2 Board staff made a sampling of public records requests throughout the state to gather data for analysis. In 2024 the following data was gathered:

| Fiscal Year 2023 Standby Pay Data |        |                      |                        |

Note: Totals may not agree due to rounding.

The City of Seattle also provided data; however, there were inconsistences with the data provided which prevented it from being used in this report.

In 2025 Board staff gathered additional data from employers; including King County Sherrif Office; City of Renton Police Department; City of Vancouver Police Department; City of Puyallup Police Department; City of Bellevue Police Department; and the City of Tacoma Fire Department.

### 2024 Pricing from Office of State Actuary

OSA did not receive enough data (only about 10% of member data) to be able to provide a full pricing last year. Instead, they calculated a high and low estimate given the limited amount of data and large variance in standby pay amounts by department. Based on the data above the Office of the State Actuary (OSA) provided the following preliminary pricing for adding standby pay as basic salary for LEOFF 2:

Standby Pay

Page 4

| Preliminary Pricing Results         |                 |                  |  |
|-------------------------------------|-----------------|------------------|--|
| (Dollars in Millions)               | Low<br>Estimate | High<br>Estimate |  |
| Change in Present Value of Benefits | \$5             | \$45             |  |
| Change in Present Value of Salaries | 12              | 109              |  |
| Rounded Employee Rate Impact*       | 0.00%           | 0.04%            |  |

<sup>\*</sup>We use the rounded Aggregate contribution rate impact when calculating a supplemental rate. Employers and the state pay 60 and 40 percent of this rate, respectively.

### Follow-up

At the December 2024 Board meeting, the Board directed staff to continue to gather information on this topic for a follow-up presentation in 2025. During this time Board staff gathered additional data from employers. However, stakeholders helped identify concerns with the data that had been gathered.

The most potentially significant of these concerns is that employers may have types of pay that meet the general definition of standby pay; however, they are called something different. An example of this is with the King County Sherrif's Office (KCSO). KCSO has "standby pay" and "weekend on-call duty pay". Both appear to meet the PERS definition of "standby pay":

- (1) the member is required to be present at, or in the immediate vicinity of, a specified location; and
- (2) the employer requires the member to be prepared to report immediately for work if the need arises.

For FY 2023 KCSO paid \$25,017 in what is defined as standby pay in their payroll system and \$560,091 in weekend on call duty pay.

It is unclear if other employers have similar types of pay that would meet definition of "standby pay" but are not called standby pay. Board staff made follow-up requests to the employers that had already provided data and none of those employers identified additional pay types that would likely meet the PERS definition of standby pay. However, as of this time not all of the employers have responded to that request.

### **POLICY OPTIONS**

### Option 1: Add standby pay to definition of basic salary

- Pros Aligns LEOFF 2 with other state pension plans
- Cons Increases cost of the plan; data used to identify costs is a small sampling and may not be enough to identify the costs accurately

Standby Pay Page 5

### Option 2: Direct staff to gather additional data and report to Board next interim

- Pros More accurate pricing analysis
- Cons LEOFF 2 members continue to not have standby pay considered basic salary

## **Additional Data Gathered**

- King County Sheriff Office
- City of Renton Police Department
- City of Vancouver Police Department
- City of Puyallup Police Department
- City of Bellevue Police Department
- City of Tacoma Fire Department

# Data Concern - "Standby Pay"

King County has "standby pay" and "weekend on-call duty pay"

- Both appear to meet PERS definition of "standby pay"
- Standby \$25,017 in FY 2023
- Weekend on call duty \$560,091 in FY 2023

Unclear if other employers have similar types of pay that would meet definition of "standby pay"

Made follow up requests to employers included in current data set

## **Other Data Concerns**

- Received useable data from a small number of employers
- Data is another year older and with changes highlighted in demographic and experience study it may not be representative of how standby pay is currently being used by employers

## **Policy Option**

- 1. Add standby pay to definition of basic salary
  - Pros Aligns LEOFF 2 with other state pension plans
  - Cons Increases cost of the plan; data used to identify costs is a small sampling and may not be indicative of the true cost.

## **Possible Board Action**

- 1. Motion for final briefing in December
- 2. Motion to direct staff to gather new data and provide a follow up presentation next interim
- 3. No action

## November 19, 2025 Duty Disability Health Insurance

### COMPREHENSIVE REPORT FOLLOW-UP

By Jacob White Senior Research & Policy Manager 360-586-2327

jacob.white@leoff.wa.gov

### **ISSUE STATEMENT**

Members who separate due to a duty disability only have temporary access to employer provided health insurance through COBRA.

### **OVERVIEW**

This issue came to the Board from the Washington Council of Police and Sheriffs (WACOPS) (see Appendix A). In their letter to the Board, WACOPS explained a situation where a LEOFF 2 member was injured at work and while still recovering from their injuries they were going to lose their employer provided health insurance coverage. This specific member situation was resolved but there is concern that the same issue could impact other LEOFF 2 members. In 2024, the Board received an Educational Briefing and a Comprehensive Briefing, before voting to move the topic for further consideration for the 2025 interim agenda.

### **BACKGROUND AND POLICY ISSUES**

If a LEOFF 2 member suffers a duty related injury or disabling condition that necessitates them missing work to recover from their injuries their access to employer covered health insurance is only guaranteed temporarily. LEOFF 2 members are guaranteed at least 6 months of Disability Leave Supplement coverage while they recover. Disability Leave Supplement Benefit is not a LEOFF 2 benefit; it is not paid out of the LEOFF 2 trust fund. Instead, the benefit is paid by employers. The Disability Leave Supplement benefit provides LEOFF 2 members with their base salary income, employer health insurance coverage for a minimum of 6 months while they recover, and protects LEOFF 2 members from losing their jobs while they are unable to perform them due to their injuries. Some employees have collectively bargained with employers to extend the minimum of 6 months to allow for additional time for them to recover from their injuries.

-

<sup>&</sup>lt;sup>1</sup> RCW 41.04.500

If the Disability Leave Supplement benefit coverage has been exhausted by the LEOFF 2 member before they are able to return to work the employer may choose to terminate the member's employment, which would cause the member to also lose their access to employer provided health insurance. However, these members would have extended access to their employer's health insurance through Consolidated Omnibus Budget Reconciliation Act (COBRA). COBRA typically lasts for 18 months, but it can be extended to 29 or 36 months in some cases.<sup>2</sup> COBRA does not subsidize the cost of health insurance.

For LEOFF 2 members who are injured in their LEOFF 2 position they also have the option of LEOFF 2 Duty or Catastrophic Disability retirement. While many think of disability retirement as a permanent situation, LEOFF 2 allows for it to be temporary while a member recovers from their disabling condition. LEOFF 2 disability retirement can assist members with replacing a portion of their income, as well as requiring their employer to allow them to return to their position once they recover from their injuries. Since 2004 only four LEOFF 2 Duty Disability retirees have recovered and return to their LEOFF 2 position.

The qualifying standard for Duty Disability is that a member is no longer able to perform the duties of their position.<sup>3</sup> Catastrophic Disability requires the member to no longer be able to perform any substantial gainful employment.<sup>4</sup>

LEOFF 2 Duty Disability allows for early retirement without a reduction in benefit or 10% of the member's Final Average Salary (FAS), whichever is higher. However, LEOFF 2 Duty Disability does not provide members with continued coverage of their employer health insurance or any other subsidized health insurance benefit. There is no minimum amount of time for a LEOFF 2 member to be disabled to qualify for a Duty Disability retirement.

LEOFF 2 Catastrophic Disability allows for early retirement without a reduction in benefit or 70% FAS, or 100% FAS offset by Social Security and LNI payments. <sup>6</sup> LEOFF 2 also reimburses Catastrophic Disability retirees for premiums paid for employer-provided health insurance, COBRA, and Medicare Parts A and B. <sup>7</sup>

While COBRA and LEOFF 2 Duty Disability do not subsidize health insurance premiums, there are other savings programs that may help disabled members with these costs. A voluntary employees' beneficiary association (VEBA) plan is a tax-exempt trust typically funded by an employer to help employees pay for eligible medical expenses.<sup>8</sup> Firefighters also have a Medical Expense Reimbursement Plan (MERP) offered through the Washington State Council of Fire Fighters (WSCFF). The MERP is a 501(c)(9) tax-exempt union sponsored plan to allow fire fighters to plan for retirement medical expenses.<sup>9</sup> The MERP allows early access to an actuarially reduced Lifetime Monthly Benefit for disability retirees.

### **POLICY OPTIONS**

Option 1: Reimburse duty disability health insurance premiums through LEOFF 2

- Pros Aligns catastrophic disability benefit with duty disability benefit
- Cons Increases cost to the plan; duty disability was designed for members who are still
  able to work non-LEOFF jobs where they could have access to employer provided health
  insurance or earn money to pay for private health insurance

LEOFF 2 Board PO Box 40918 Olympia, WA 98504 **DELIVERED VIA EMAIL** 

Dear Chairman Lawson,

The Washington Council of Police and Sheriffs (WACOPS) respectfully requests the LEOFF 2 board research potential solutions to a problem we recently became aware of for members recuperating from a serious on the job injury.

On August 15, 2023, Officer Kevin Bereta, a Bellevue Police Department employee and WACOPS member, sustained critical injuries resulting from a motorcycle crash while performing a department-condoned escort. Bereta has worked for the department and has been a LEOFF 2 member since 2018.

After a three-week stay in the hospital, Bereta was unable to return to work and currently remains under restrictions from his physician while he works toward a full recovery. Under the current contract between the Bellevue Police Officer's Guild and the City of Bellevue, at 6 months post injury Bereta was scheduled to lose his benefits including his family's health insurance since his care team would not release him to work in any capacity.

While a temporary insurance solution has been arranged between Bereta and the City of Bellevue, this event has highlighted an inequity that needs rectification. It appears that RCW 41.04.515 may set a maximum disability leave supplement at 6 months regardless of the medical recovery plan set by the employee's doctors. It appears that individual unions can negotiate for a longer period. In Bellevue, for example, we understand that law enforcement has 6 months of covered benefits, but Bellevue Fire may have as much as 9. We wonder if there is a LEOFF 2 pension solution for members seriously injured, working toward a return to duty, without a separation from employment. LEOFF 2 members should not have to separate from employment as their only option when their recovery plan extends beyond the designated disability leave supplement.

WACOPS respectfully asks the LEOFF 2 board to accept our request to review this situation and assess whether there is a pension related short term solution for these rare, but serious, on the job injuries where the member remains employed while recuperating.

Thank you for your consideration. Please let us know if we can provide any additional information.

Respectfully,

Teresa C Taylor Executive Director

Jerusa C Taylor

# **Duty Disability Health Insurance**

Comprehensive Report Follow-Up November 19, 2025

## Issue

 Members who separate due to a duty disability only have temporary access to employer provided health insurance through COBRA

## Possible Steps for Disabled LEOFF 2 Member

- Employee injured at work and unable to immediately return to duty
- Temporary Duty Disability
- After Temporary Duty Disability
  - Duty Disability retirement
  - Authorized Leave of Absence, or
  - Employer may terminate employment
- If member Duty Disability retirees their right to return to their position is protected

## **Temporary Duty Disability**

### LNI Benefits

- Wage Replacement Doesn't fully replace wage (60-75% only)
- Loss of Earning Power Benefits Light duty
- Medical Care

### LEOFF 2 Benefits

- Temporary Duty Disability Purchase Service Credit
- RCW 41.04.500 Disability leave supplement
  - Not a LEOFF 2 Benefit

## RCW 41.04.500 – Disability Leave Supplement

- Payments begin on the 6<sup>th</sup> day from the date of injury/illness
- Employee must receive the "base salary" they would have received before the injury
- Employer health insurance coverage is still provided
- Maximum of 6 months
  - Employer may offer additional coverage outside of this law

# **After Temporary Duty Disability**

If Temporary Duty Disability is exhausted and member has not recovered:

- 1. Authorized Leave of Absence
- 2. Employer may terminate employment, or
- 3. Duty Disability retirement

# **Duty Disability Retirement**

### Duty Disability

- Pension Benefit Allows for early retirement without a reduction in benefit or 10% FAS
- No LEOFF 2 health insurance premium reimbursement benefit
- Eligible for COBRA health insurance coverage (temporary benefit)

### Catastrophic Disability

- Pension Benefit Allows for early retirement without a reduction in benefit or 70% FAS, or 100% FAS offset by SS and LNI payments
- LEOFF 2 reimburses for premiums paid for employer-provided health insurance,
   COBRA, Medicare Parts A and B

# Return from Duty Disability Retirement

- If a Duty or Catastrophic Disability retiree recovers, member may choose to return to their previous position at same salary and rank previously held
- Employer is required to rehire
- 2024 Data from DRS 4 disability retirees returned to LEOFF 2 position

### **VEBA**

- A voluntary employees' beneficiary association (VEBA) plan is a tax-exempt trust typically funded by an employer to help employees pay for eligible medical expenses
- A member, especially a younger member, who is injured may not have much if any money in a VEBA account

## Medical Expense Reimbursement Plan

- Fire Fighters have access to MERP through the WSCFF
- 501(c)(9) tax-exempt union sponsored plan to allow fire fighters to plan for retirement medical expenses
- MERP allows early access to an actuarially reduced Lifetime Monthly Benefit for disability retirees

# Summary

- Duty Disability retirement allows qualified members to temporarily retire until they have recovered from their injuries and provides those members with return rights to their position and salary
- However, Duty Disability does not provide members with continued access to employer provided health insurance or subsidize premium payments for health insurance

# **Policy Option**

- 1. Reimburse duty disability health insurance premiums through LEOFF 2
  - Pros Aligns catastrophic disability benefit with duty disability benefit
  - Cons Increases cost to the plan; duty disability was designed for members who are still able to work non-LEOFF jobs where they could have access to employer provided health insurance or earn money to pay for private health insurance

## **Next Steps**

- 1. Board may motion to receive a final briefing
  - Identify a policy option to be priced by OSA
- 2. Board may not take any action at this time
  - No motion required

## November 19, 2025 Surviving Spouse Medical Reimbursements

#### COMPREHENSIVE REPORT

By Jacob White Senior Research & Policy Manager 360-586-2327

jacob.white@leoff.wa.gov

#### **ISSUE STATEMENT**

There are gaps and inconsistencies in medical insurance premium reimbursements for surviving spouses of line of duty death (LODD).

#### **OVERVIEW**

The policy intent of the LEOFF 2 Board has been to provide medical insurance premium reimbursement for survivors of LODD. However, the following gaps or inconsistencies in current law have been identified:

- Surviving spouses of line of duty death (LODD) are no longer fully reimbursed for medical insurance premiums once they are Medicare eligible;
- Surviving spouses of LODD must enroll in PEBB to receive medical insurance premium reimbursements; and,
- 3. Delays in a member death being determined LODD create a gap in medical insurance premium reimbursement for survivors.

#### **BACKGROUND AND POLICY ISSUES**

The determination of whether a LEOFF 2 member's death is in the line of duty is made by the Department of Labor and Industries (LNI), in accordance with RCW 51.32.040. In addition to other benefits, survivors of members who died in the line of duty are eligible for medical insurance coverage through the Public Employee Benefits Board (PEBB) at the Health Care Authority (HCA) and reimbursements "for any payments of premium rates to the Washington state health care authority [...]".1

In general, for a single person the Medicare eligible PEBB plans cost between \$150 to \$180 and pre-Medicare PEBB plans cost between \$794 to \$953. The cost for Medicare Part B (Medical

<sup>&</sup>lt;sup>1</sup> https://lawfilesext.leg.wa.gov/biennium/2005-06/Pdf/Bills/Session%20Laws/Senate/6723.SL.pdf?cite=2006%20c%20345%20s%201

Insurance) is currently \$185 per month. Medicare Part B isn't reimbursed by LEOFF 2 and is paid from the survivor's Social Security payment.

In 2010, the LEOFF 2 Board endorsed legislation (SHB 1679<sup>2</sup>) to reimburse members who are catastrophically disabled in the line of duty for the premiums they pay for employer provided health insurance for themselves and their spouses and dependent children. This legislation, similar to PEBB, required members eligible for Medicare coverage to enroll in Medicare to continue to be eligible for reimbursement from LEOFF. However, catastrophic disability retirees are reimbursed for Medicare Part A (Hospital Insurance) and B (Medical Insurance) premiums.

When a catastrophic disability retiree dies their survivor is no longer eligible for these catastrophic disability medical insurance coverage and reimbursements. However, if the catastrophic disability retiree's death is determined to be in the line of duty, their survivor becomes eligible for line of duty death benefits, including eligibility for PEBB and reimbursements for PEBB coverage.

#### **PEBB Premium Data**

As of May 30, 2025 there were 90 surviving spouses receiving medical reimbursements for PEBB medical insurance coverage. Thirty of these surviving spouses were enrolled into Medicare. DRS provided a list of the current PEBB reimbursements for line of duty death survivors:

**Subject:** Question about Surviving Spouse Medical Insurance

#### External Email

LEOFF 2 Board Members,

My name is Renee Maher-Zieger and I am the surviving spouse of Federal Way Officer Patrick Maher (EOW 8/2/03). I am writing with the hopes that you can assist me in understanding some recent confusing developments in regard to the surviving spouse medical benefit.

When we worked on the legislation that provided this benefit to LEOFF 2 widows back in 2006, I distinctly remember telling spouses that they would be covered "for life." Recently, however, a surviving spouse shared with me that when she became eligible for Medicare, she was removed from her PEBB plan and forced on to a Medicare medical plan. I was extremely confused and concerned about this. Never in all of the discussions prior to the 2006 Legislative session nor during the actual session was there any discussion or agreement or suggestion that surviving spouses would be forced off of PEBB once they qualified for Medicare.

Additionally, she also now has Medicare premiums being deducted from her social security benefit. I know when we worked on the catastrophic disability medical legislation a few years later in 2010, there was specific discussion about Medicare being reimbursed to our catastrophically disabled members. So it now seems like some LEOFF members are having Medicare reimbursed while others are not.

I hope you can help me understand this issue. It is now causing a fair amount of concern with other surviving spouses and instead of misinformation getting passed around, I thought it best to go straight to the experts on the matter. And that's you!

Gratefully yours,

Renee Maher-Zieger

Subject: Request for Reimbursement of Health Insurance Premiums

Dear Leoff Trust Board,

I am writing to formally request reimbursement for health insurance premiums that I have paid due to delays in approving benefits following the line-of-duty death of my husband, Brian Annis-Levings.

Under the presumptive language provisions with Labor and Industries, health insurance benefits are intended to be provided to surviving family members in cases such as ours.

The total amount paid during this period is \$22,382.90, and I have attached copy of premiums paid to the Trust for my family's premiums. These payments were made solely because of the delay in processing the benefits that I am entitled to under the presumptive language provision.

I kindly request that your board review this matter and reimburse the amount paid. The delay in processing the presumptive language benefits caused undue financial strain, and I believe reimbursement is both fair and consistent with the intent of the Labor and Industries provisions.

Please let me know if additional documentation or information is required to process this request. I can be reached at a compared or Brian.nissa@protonmail.com.

Thank you for your attention to this matter. I look forward to hearing from the board.

Sincerely,

Nissa Annis Levings

# Surviving Spouse Medical Reimbursements

Comprehensive Report November 19, 2025

### Issue

There are gaps and inconsistencies in medical insurance premium reimbursements for surviving spouses of line of duty death.

## Survivor of LODD vs. Catastrophic Retiree Medical

### **Survivor of LODD**

- Eligible for PEBB
- Reimbursed by LEOFF 2 for PEBB Premiums
- Not Reimbursed by LEOFF 2 for other medical insurance premiums, including Medicare

### **Catastrophic Disability Retiree**

- Not eligible for PEBB
- Reimbursed by LEOFF 2 for the following premiums:
  - Employer Provided Insurance
  - COBRA
  - Medicare Parts A and B
  - If not eligible for employer provided insurance, other medial insurance not to exceed COBRA amount

### Issue 1: Survivor of LODD Medicare Reimbursement

- PEBB requires Medicare eligible survivors to enroll in Medicare Parts
   A and B once eligible
  - This is a requirement for all PEBB members
- LEOFF 2 law does not include reimbursement for Medicare premiums

### **PEBB** and Medicare

- Medicare + PEBB costs less than Pre-Medicare PEBB premiums
  - Pre-Medicare PEBB plans cost LEOFF 2 between \$794 to \$953
  - When a survivor enrolls in Medicare the PEBB plan cost drops to \$150 to \$180
  - Medicare Part A (Hospital Insurance) is \$0 for most people
  - Medicare Part B (Medical Insurance) is currently \$185 per month
- 30 survivors currently enrolled in Medicare
- Still would be additional cost to LEOFF Plan 2 to reimburse for Medicare

# Issue 2: Surviving Spouses are Limited to PEBB

- Survivors of LODD can only receive medical insurance reimbursements for PEBB from LEOFF 2
- May cause additional stress at difficult time by resulting in changing medical providers for family of LODD

## Issue 3: Gap in insurance reimbursements

- Limiting survivors of line of duty death to PEBB premium reimbursement only creates a gap in reimbursements between the death of the member and LNI determining the death was in the line of duty
- Board received a letter from a survivor in this situation
  - \$22,383 for 1 year of COBRA premiums

# Option 1

### Reimburse surviving spouses of LODD for Medicare premiums

### Pros

- Continue to recognize the sacrifice of LEOFF 2 members by continuing to provide full medical insurance reimbursements for their survivors
- The overall cost to the plan of a survivor enrolled in PEBB and Medicare is less than when they are only in PEBB

#### Cons

Cost to the plan

# Option 2

Provide surviving spouses of LODD option to enroll in PEBB or have same medical insurance premium reimbursement options as Catastrophic Disability retirees.

#### Pros

 Creates option to prioritize continuity in medical provider coverage for survivors

#### Cons

- Cost to the plan
- Creates a decision point for members that may cause confusion

# Option 3

Reimburse surviving spouses of LODD for medical insurance premiums paid during delays in a member death being determined line of duty.

#### Pros

- Meets the policy goal of paying medical insurance premiums for surviving spouses and families
- Prevents survivors for being "penalized" for administrative delays that may be out of their control

### Cons

Cost to the plan

# **Next Steps**

### 1. Motion for a Final Briefing

- 1. Reimburse surviving spouses of line of duty death for Medicare premiums;
- 2. Provide surviving spouses of line of duty death option to enroll in PEBB or have same medical insurance premium reimbursement options as Catastrophic Disability retirees; and/or
- 3. Reimburse surviving spouses of line of duty death for medical insurance premiums paid during delays in a member death being determined line of duty.

### 2. No Further Action

# **Next Steps**

Adoption of the 2026 Board Meeting Calendar

## **Thank You**

My Part B Medicare premium is going up in January from about \$185 per month to about \$206 per month!

My Medicare Advantage plan is going up from about \$400 per month to about \$500 per month!!!

My wife's health insurance premium is going up from about \$1,200 per month to about \$1,300 per month!!!

My LEOFF2 pension is probably going up by 3%, in July... ???

I paid into Social Security for 45 years, and also into LEOFF2 for 36 of those years...

I would never recommend a LEOFF2 job to anyone. Something has to change.
